In line with continuous improvement and to facilitate effective and efficient implementation of the Competency Assessment and Certification of TVET Trainers under the Philippine TVET Trainers Qualification Framework (PTTQF), TESDA Circular No. 13 and 13-A, series of 2011 are hereby amended. There will be a separate guidelines for TM Level I (Trainer/Assessor) and TM Level II (Training Designer/Developer).

The amended guidelines for the implementation of assessment and certification for TM Level I are hereby issued:

### I. General Principles

- I.1. The TVET Trainer is one of the most critical components in ensuring quality-assured delivery of TVET programs.
- I.2. The PTTQF provides for the recognition of the competence of TVET Trainers at different roles and qualification levels.
- I.3. The Assessment and Certification of TVET Trainers is anchored on the Philippine TVET Trainer Qualification Framework (PTTQF) and is part of the National Assessment and Certification Program.
- I.4. To attain the appropriate National TVET Trainer Certificate (NTTC) Level, the following are required:
  - I.4.1. NC Level of the qualification appropriate to the training program being handled **but not lower than NC II**;
  - I.4.2. Trainers Methodology Certificate (TMC) I; and
  - I.4.3. Industry work experience as may be provided in Section 3 of the respective TR

In summary:

| LEVEL        | DESCRIPTION      | REQUIREMENTS                                                            |
|--------------|------------------|-------------------------------------------------------------------------|
| NTTC Level I | Trainer/Assessor | At least NC II* + TMC I<br>* <i>Appropriate to the training program</i> |

- I.5. The validity of the NTTC shall be based on the expiration of the NC.
- I.6. All TVET Trainers of WTR-registered programs must be holders of at least NTTC Level I, while TVET Trainers of NTR-registered programs must be holders of at least Training Certificate for TM Level I.

### II. Objective

These Guidelines are to assure that TVET Trainers are certified in areas of technology and methodology to ensure quality training delivery.
